

# Viking Full System Warranty

## 1.6 Warranty Offer

Re Project

Dear Customer

We confirm that the details you have provided us on plans dated \_\_\_\_\_ for the above job meet our specifications.

We are therefore pleased to offer a Viking Full System Warranty for this job and have enclosed:

- The completed QC Form- Details (stage 1)
- A sample warranty form for your information

Your Viking Full System Warranty will be fully validated when the following are completed:

1. Substrate Inspection - QC stage 2\* (The substrate inspection notification to us confirms your acceptance of the warranty terms and your intended payment for this warranty).
2. Job Completion Inspection - QC stage 3\* .
3. Full payment to our Applicator for the job and for the Full System Warranty. Full System Warranty is then issued.
4. Roof access available to our Applicator for the specified inspections throughout the life of the warranty.

More details relating to the above are provided in the enclosed Full System Warranty brochure or on our website [www.skelleruproofing.co.nz](http://www.skelleruproofing.co.nz)

Should you choose the Viking Full System Warranty for your project, we believe you have secured the best possible combination available to attain a quality and trusted roofing or waterproofing solution.

Best Regards

Rod McAneaney  
General Manager
